## *Three Champions, One Private Golf Club*

Champions Retreat Golf Club is a 27-hole private golf club located just minutes from Augusta, Georgia. This championship golf course brings together three of the greatest names in the game: Arnold Palmer, Gary Player and Jack Nicklaus. Among them, 13 green jackets, 34 major victories and 159 tournament wins. Never before have these three collaborated on a course, making Champions Retreat a singularly unique experience in the world of golf.

These three great golf legends came together and designed nine signature holes of championship golf, sculpted from the foundation of 365 faultless acres of skyward Georgia pines, long-standing hardwood and wetlands along the great Savannah River. One of the most unusual and beautiful tracts of land in the South: a perfect canvas for a course unparalleled in vista and vigor. The three nine-hole courses at Champions Retreat inhabit a former untouched timber plot and are built around an Island, a Bluff and a Creek. Champions Retreat is the realization of their collective vision.

*"The Island Nine is flanked on one side by the broad Savannah River and on the other side by the Little River. The spectacular hardwoods and pines along the river bank have been saved and the fairways have been raised to take advantage of the beautiful vistas out in the rivers. There is not a better setting for golf in the South."*

# BLUFF 9

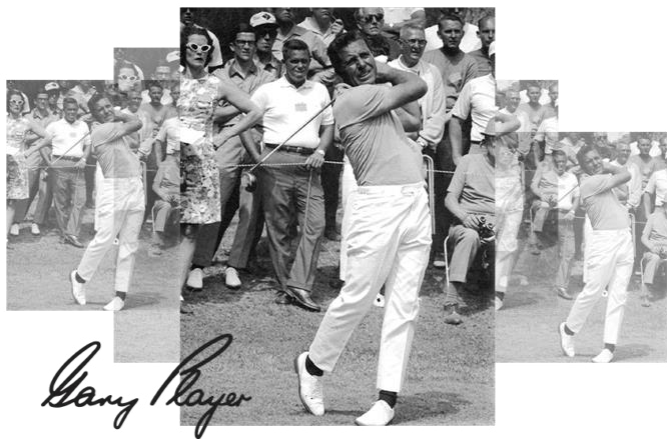

*"This is a nice, rolling piece of property with mature pines throughout. Very little dirt has been moved, which means the course fits nicely with the existing terrain and its surroundings. This is the kind of site that provides you the opportunity to design a golf course that on opening day will appear as if it's been there for 50 years. There is a great deal of variety in the routing, with this nine featuring uphill and downhill shots, as well as a balance of right-to-left and left-to-right holes.*

- Jack Nicklaus

 NICKLAUS DESIGN	HOLE	1	2	3	4	5	6	7	8	9	TOT
	YARDS	438	182	400	490	528	358	472	250	567	3685
	PAR	4	3	4	4	5	4	4	3	5	36

*"The site for the Player Creek Nine at Champions Retreat offered so many opportunities for a wonderful golf course. The opening four holes play a beautiful wetland area, while the remaining holes move upland through native hardwood trees. The ninth dramatically plays over and around a large lake on the right. All level players will finish the nine with a variety of shot making challenges."*
